

SYRAH 2018

Equilibrio

SOUMAH *of* YARRA VALLEY

The concept behind our Equilibrio range is to promote the very best barrels, clonal mix and new oak integration to create a small quantity that will benchmark each vintage potential. Some would call it Reserve but we call it Equilibrio as, at the end of the day, it is all about harmony and balance.

Savoury aromas of brooding black and blue berry fruits come from the Bests clone and this adds the spice to the overall wine. A small portion of whole bunch ferment adds fresh herbal intrigue to the wine. Matured in a selection of Puncheons (500L) and Barriques (225L) for ten months before bottling, without fining or filtering.
