## 2023 NEBBIOLO BARBERA d'SOUMAH

### 2023 VINTAGE

A very wet winter and spring created increased work in the vineyard to ensure vines were clean and healthy and the incredibly wet October affected the fruit set reducing crop load. This increased rainfall also made nights warmer and days relatively cooler extending the ripening period. Summer dried out like usual with little rain in January and February allowing the fruit to ripen leading to a harvest that was 2-weeks later than recent experiences. Fruit retained natural acidity well, while flavours were developed at less ripeness. Wines are intense but with a lighter weight than normal.

### VITICULTURE & WINEMAKING

For our d'Soumah range, we hand-fashion cool climate grapes from select, mature vineyards into elegant styled wines, rich in flavour, length, and savoury complexity.

### TASTING

The classic pairing of two noble North Western Italian varieties, coming here to create a savoury, elegant red wine with soft fruit and charming length. The Nebbiolo adds the excellent tannin structure and finesse with aroma of wild herbs and violets while the Barbera compliments with ripe, red berry flavour and velvet mouth feel.

### PAIRING

A hearty antipasti board with cured meats, pickled vegetables and a selection of rich cheeses, or with your favourite wood fired pizza.
