## 2025 SOUMAH SHIRAZ VIOGNIER

---

### 2025 VINTAGE

Winter was relatively normal, albeit with more rain than typical. As spring approached it started to turn dryer and hotter and the phenomenon continued into spring laying the foundation for a great flowering. The summer months and into harvest mirrored the spring experience with average daytime temperatures from January into harvest being much higher than the long-term average. Rain was also very low, and this combined effect of heat and dryness had grapes racing to ripeness and harvest started early. The lack of rain ensured fruit intensity.

### ABOUT

Shiraz and Viognier is a classic blend in cool climate regions. Excellent Shiraz fruit intensity enhanced with fragrant and velvet smooth Viognier.

### TASTING

This wine shows notes of blackberry, coffee and pepper from Shiraz, enhanced by the velvet feel and floral bouquet of Viognier.

### PAIRING

Perfect with classic BBQ meat and slow cooked dishes.
