

# SYRAH 2016

## Hexham Vineyard

### SOUMAH *of* YARRA VALLEY

---

Cooler climate growing regions like the Yarra Valley are heralding an elegant style of Syrah (Shiraz) and our elevated, well drained site, coupled with suitably chosen clones create a graceful yet powerful wine. Our fruit was gently picked on various dates depending on the clone before being separated into whole berry or whole bunch ferments. It was then racked to barriques and puncheons (30% new) where it slowly aged for 18 months.

A spicy bouquet and savoury palate with intense red black fruit coupled with fine grained tannins and spice, all bound together with a sweet clip of new oak.

<b>Varietal</b>	Syrah	<b>Harvest</b>	1st March 2016
<b>Clones</b>	1654, Bests & RWV28	<b>Baume</b>	13.8
<b>Oak Forests</b>	Allier, Vosges & Chatillon	<b>pH</b>	3.7
<b>Oak Age</b>	30% New	<b>TA</b>	6.0

“Velvet Power & Grace.”
